

URI researchers ask: Have you seen this turtle?  
Diamondback Terrapin (*Malaclemys terrapin*)  
Habitat: salt ponds, marshes, and beaches.

Think you've seen it?  
DON'T DISTURB IT!  
Take a picture.

Hatchlings come out in August and are smaller than an Oreo cookie

Send it to: [terrapins@rinhs.org](mailto:terrapins@rinhs.org)
